UNITED STATES DISTRICT JUDGE

Re: *Harrington Global Opportunity Fund, Limited v. BofA Securities, Inc., et al.*, No. 1:21-cv-00761-LGS-VF (S.D.N.Y.)

Dear Judge Schofield:

The parties submit this joint request that the Court adjourn the July 15, 2025 pre-motion conference scheduled by the Court [Dkt. 470] and vacate the July 1 deadline for the parties to file “summary judgment or other dispositive motion” pre-motion letters. Defendants have filed pre-motion letters regarding motions to exclude Harrington’s experts under Federal Rule of Evidence 702 [Dkt. 478, 482, 484], and Harrington does not object to Defendants’ request that this Court delay summary judgment motion practice until after at least some Rule 702 motions have been resolved. To provide the Court sufficient time to rule on Defendants’ pre-motion letters and the sequencing proposal suggested by the parties, the parties jointly request that the Court vacate the July 1 deadline for them to file pre-motion letters and reset it after the Court considers the sequencing proposal.

The extension does not directly affect any other scheduled dates.

The parties are available to discuss their request at the Court’s convenience. We thank the Court for considering this request.

Respectfully submitted,

/s/ Abby F. Rudzin
